I am an interdisciplinary designer, photographer, filmmaker recently graduated from BA Design at Goldsmiths, University of London.

Capable of working outside of or within disciplines, I specialise in photo/video, design for community, concept generation and critical thinking - with accompanying graphic design and making capabilities. Working within teams, directing teams and alone I pride myself of being adaptable, innovative and effective.

Experience

Bearded Kitten (June 2018 - Present)

Project: Amazon Wishlist 2018

Each year, Amazon hosts the Christmas Wish List event to showcase their festive product range to UK media.

Freelance Graphic Designer

- Production of graphics and signage to be used around the event, staying true to the visual identity of the project
- Website building data entry using template
- Creating of PDF Catalogue of products featured at the event

Latimer Group (August 2017 - March 2018)

Project: VOXI by Vodafone

VOXI decided to take an innovative branding approach during their launch. Through Ogilvy UK they enlisted the help of Latimer to create a community of the best young creative talent in the country to produce all their advertising content.

Freelance Content Creator

- Conceiving and directing a TV Ident shown on MTV
- Developing multiple 10s films to fit briefs set by Latimer to be used for all VOXI's social media posts
- Photography and Videography of VOXI's launch event at the Truman Brewery in London

DICE (September 2017)

Project: Freshers Commercial 2017

Director

- Creating the treatment, forming the production team, filming and editing DICE's 2017 freshers commercial

DSArts (December 2016 - May 2017)

Main Photographer and Videographer

- Concert photography & video
- Music video production, BTS photography & video
- Fashion editorial BTS photography & video
